

# Attending Daily Mass

**Out for concern for everyone's health and well-being, please observe the following at Daily Mass:**

1. When entering the Cathedral for Daily Mass, everyone must wear a face covering that covers both the nose and mouth.
2. Upon entering the church, use the hand sanitizer that will be at the door. Please consider using it again when you leave.
3. At Daily Mass, please seat yourself in the central section of the church. Seat yourself at least six feet from all around you, except those with whom you live.
4. When coming to receive Holy Communion, keep six feet between yourself and the person in front of you.
5. When in the Communion line, wear your face covering. Receive the Blessed Sacrament in your hands, take a few steps away, and then adjust your mask to receive the Blessed Sacrament.
6. When exiting the church, continue to maintain social-distancing.
7. The Cathedral has been kept unlocked during the time of quarantine, so you could enter and pray at your convenience. Because we will be sanitizing the pews and commonly touched surfaces after each Mass, the church will be kept lock; *HOWEVER*, as before, you may use the call box at the door and the door will be unlocked for you to enter.
